You are invited to enter the **Annual Grounds Management Green Star Awards** program offered by the Professional Grounds Management Society (PGMS). This program brings national recognition to grounds maintained with a high degree of excellence. The Green Stars compliment other national landscape award programs that recognize outstanding landscape design and construction by recognizing the grounds superintendent responsible for maintaining a well-manicured landscape year round.

Purpose

The objectives of the Grounds Management Green Star Awards program are:

- To bring national recognition to grounds manicured with a high degree of excellence.
- To recognize individual professional efforts leading to high maintenance standards and high quality appearance of the landscape.
- To challenge those responsible for maintenance of grounds throughout the country to achieve a higher level of excellence. In providing this awards program, the Professional Grounds Management Society wish to extend their mission in promoting well-maintained landscapes throughout the country.

Past Winners

Winners of the PGMS Green Star Awards Program is a virtual Who's Who of Grounds Management including: the Texas State Capitol, the George Bush Presidential Library Complex, Longaberger Corporate Headquarters, Gannet News Headquarters, University of North Carolina, Grand Ole Opry, Post Gardens Apartment Homes, University of Virginia Health System, and many more!

Shouldn't you be on this list?

Featured above is 2006 Grand Award Green Star Winner Elon University in Elon, N.C.
