

**GREATER CINCINNATI BRANCH
PRESENTS**

INVASIVE PEST SPECIES

PRESENTED BY

Joe Boggs, Ohio State University Extension

**Monday, September 26, 2011
(Rain or Shine)**

3:30p.m. to 7:00 p.m.

**Historic Spring Grove Cemetery & Arboretum
Cincinnati, Ohio**

Please join the Greater Cincinnati Branch for its third year fall program ----an entertaining and informative presentation will be given by Joe Boggs from the Ohio State Extension. Joe will discuss Asian Longhorn Beetle. In early June, a homeowner in Bethel, Ohio, Tate Township, Clermont County discovered ALB. Since then, the USDA along with APHIS has started an extensive program to eradicate the ALB. Please come hear Joe talk about this effort and how you can help in the eradication of this devastating insect.

COST: NO FEE – Open to Branch Members and Invited Guests

RSVP: September 22, 2011

Dinner will be provided

Monica or Terri at Xavier University, Physical Plant 513-745-3151
